## THE GAZETTE POWER POLL

The 10 best basketball teams in Montgomery County, as ranked by The Gazette's sports staff (trend reflects change from last week):

Rank	Trend	Breakdown	Pts.
 1. Holy Cross Tartans (13-4)		No one star; maybe that's why they keep winning.	50
 2. Seneca Valley Eagles (13-0)		Two close calls last week, but good news is emergence of SG Rothert.	41
 3. Paint Branch Panthers (13-0)		In-county streak at 70; one of the top public schools in the country.	40
 4. Good Counsel Falcons (10-5)		Rich on talent, but perhaps youth is a hindrance at the moment.	39
 5. Gaithersburg Trojans (12-1)		We think G/F Seipp is one of county's best two-way players.	31
 6. Blake Bengals (9-4)		Were a few minutes against Paint Branch from being much higher.	24
 7. Whitman Vikings (9-3)		Sunk by dagger vs. Churchill; Northwest rout was more telling.	18
 8. Damascus Hornets (9-3)		Almost shocked Seneca; PF Kaufman having great senior season.	15
 9. Churchill Bulldogs (9-3)		Nelson's 24-foot banker at Whitman is current shot of the year.	12
 10. Northwest Jaguars (6-6)		This team makes no sense. None. Stone Ridge also had three points.	3

\* Points compiled from the votes of the five members of The Gazette sports staff.
