Joseph Coleman III

DE, Sr., 6-1, 260, Lottie, LA

One of Louisiana's toughest and most intense players... will be an emotional team leader... gives 100% effort on every play... combination of quickness and strength make him an asset on the end... can rush the passer and drop back into coverage... may line up on the interior at times... could also see time at fullback...

2008: Made a successful transition from linebacker to end... led Division in sacks, tackles for loss and forced fumbles... scored four touchdowns... had a season-best nine stops versus Division rival...made five tackles behind the line, including a career-high two sacks... finished first on the team in tackles... **2007:** Stopped a career-high 10 ballcarries... recorded six or more tackles in every game...ranked third on the team with 42 tackles... leveled a club-high eight opponents behind the line of scrimmage... **Personal:** Named to Livonia's Fall and Spring Student-Athlete Honor Rolls... a three-year letter winner and top reserve on Livonia's basketball team... completed a football strength and conditioning camp at Louisiana State University in 2008... an avid hunter and Playstation video game player who serves as leader of youth development at his father's hunting club in Mississippi... a multiple letter winner in football and basketball... son of Joseph Coleman Jr. and Tasha Christopher... plans on majoring in business administration.
